

The background features a complex network of thin grey lines and dots, primarily concentrated on the left side, forming a web-like structure. Scattered across the entire background are numerous triangles of various sizes and orientations, some outlined in grey and others in a lighter shade. In the top right corner, there is a sparse collection of small, faint dots.

Purpose of the Portfolio

As a part of assessment for Coder Academy

Platform to show my technical skills & expertise

To increase my accessibility to potential clients,
employers & recruiters

To create my Identity in IT's virtual world

A decorative geometric pattern consisting of interconnected lines and dots, resembling a network or a stylized molecular structure, located in the bottom right corner of the slide.
